

Cooper Prize Application

The Charlotte Cooper Prize celebrates the life and can-do spirit of the late Charlotte Cooper, a beloved aunt and dedicated nurse whose love for family and community inspired all. Created by her family, the Cooper Prize is bestowed annually on a Chagrin Falls High School student/students who are pursuing innovative educational experiences or projects outside of the classroom. Awards of up to \$1,000 are available. Educational experiences or projects are broadly defined to include

- a) Attendance at a seminar, event, conference, or camp related to artistic or scientific development, academic pursuits, leadership development, or entrepreneurship training.
- b) Travel nationally or abroad related to artistic or scientific development, academic pursuits, leadership development, or entrepreneurship training.
- c) Project materials related to artistic or scientific development, academic pursuits, leadership development, or entrepreneurship training.
- d) Experiences or projects outside these categories at the discretion of the trustees of the Chagrin Falls Educational Foundation.

Applicants should type their responses to the questions below and submit all forms (including any relevant supporting literature) via email to chagrinedfoundation@gmail.com no later than April 15, 2021. Finalists will be interviewed by trustees of the Chagrin Falls Educational Foundation.
